

Dear Sir or Madam,

As of gas day 1 July 2019, the capacity booking at the Interconnection Points (IPs)

Eynatten Fluxys TENP
Lichtenbusch Thyssengas
Eynatten-Raeren OGE

will no longer be possible due to the establishment of the Virtual Interconnection Point (VIP) Belgium.

Existing contracts will remain on the respective IP - there will be no change for these contracts.

Starting from quarterly auctions on 6 May 2019 for capacity contracts which start from gas day 1 July 2019, the VIP

VIP Belgium-NCG (Open Grid Europe)

has been established by Open Grid Europe GmbH (OGE).

All new capacity allocation for 1 July 2019 and afterwards will take place at the VIP only.

Therefore we kindly ask you to ensure that you will use the correct location codes for your nomination messages for these location points:

IP / VIP	Location Code	valid to / valid from (gas day)	Transmission System Operator (TSO), where you have to nominate
Lichtenbusch Thyssengas	21Z000000000147P	valid by end of the individual contract term	Thyssengas
Eynatten Fluxys TENP	21Z000000000174M	valid by end of the individual contract term	Fluxys TENP
Eynatten-Raeren OGE	21Z000000000163	valid by the end of the individual contract term	OGE
VIP Belgium-NCG	21Z000000000497Z	valid from the beginning of gas day 01.07.2019	OGE

Please ensure that you have completed the registration process for capacity bookings and nominations with the responsible VIP-TSO.
